## ***800 Wakeby Road Search Warrant***

On Thursday 9/11/14 at approximately 6AM, Barnstable Police Narcotic Detectives executed a search warrant at 800 Wakeby Rd. in Marstons Mills. The search warrant was the result of a six month long investigation by Barnstable Narcotics Detectives for cocaine distribution by Anthony Anderson, Jeremiah Anderson and Wesley Paul Garcia.

Mashpee Narcotic Detective Michael Assad and his K9 partner Lola assisted with the search of the residence. Detective Assad and Lola were able to locate approximately 25 grams of cocaine in a Playdough container hidden under the wooden front steps to the residence. Barnstable Detective Brian Guiney was able to locate an additional 3 grams of cocaine hidden under Anthony Anderson's mattress in the home. In addition to the cocaine, detectives located a digital scale, cutting agents and packaging materials used in the distribution of drugs. Approximately \$600 was also seized from the suspects as proceeds of their illicit business.

38 year old Anthony Anderson, 37 year old Jeremiah Anderson, and 42 year old Wesley Paul Garcia were all arrested and charged with Trafficking Cocaine. Jeremiah Anderson is currently on Barnstable Superior Court probation for Possession to Distribute Heroin and Marijuana.
